This walkthrough is to be done by the location manager (or designated representative) and a parking contractor supervisor to determine the exact number of spaces being utilized and that number is called into the parking contractor's office. The location manager must make arrangements to meet again with the parking contractor supervisor at a designated time to confirm spaces prior to vacating the parking lot and again that number is called into the parking contractor's office.

7. The production company will be invoiced for any additional spaces occupied by cast/crew members' cars, equipment vehicles and cone-off spaces.

8. Production companies wanting to use parking spaces at one of the parking contractor operated parking lots on the beach or in the Marina del Rey area must contract the parking contractor directly (310.821.1081) and speak with office management. Normal business hours are Monday through Friday, 8:00 a.m. to 5:00 p.m.

9. Parking fees are not included on film permits. A film permit number must be provided to the parking contractor and the contractor will provide the production company estimated charges for the use of the parking lot(s). Payment arrangements must be made with the parking contractor directly at least one business day prior (and before 4:00 p.m.) for the use of the parking lot(s).

10. Cancellation of a parking contract must be done at least one day prior. Refunds will be given within ten to twelve weeks.

11. A parking contract does not constitute a film permit.

12. Sign removal in L.A. County parking lots is prohibited.
